

SUBJECT Geography

TERM Autumn

YEAR GROUP 10

CONTEXT We are studying rivers and flooding

OBJECTIVE To produce a newspaper article for a flood in an MEDC, to include a map and illustrations and to describe the causes, effects and consequences of the flood.

ASSESSMENT May be peer and teacher assessed.

TASK To pick a flood (possibly including the Mississippi flood of 1993) or a more recent event (Yorkshire e.g. Leeds, Doncaster or Hull 2007) and to produce a word processed article **or** a Powerpoint presentation as a newspaper report set sometime in the weeks following the event.

RESOURCES Try the BBC news website or newspaper archives. Use own textbook for ideas.
