

**SUBJECT** Geography

**TERM** Autumn

**YEAR GROUP** Year Nine

**CONTEXT** We are studying world development with a particular emphasis on Ghana

**OBJECTIVE** To understand the link between the colonisers and the colonised

**ASSESSMENT**  
This will be teacher assessed

**TASK** Shade in and label a blank political map of the world to show all the countries that were once colonised by European countries (including the UK) Use colours to match the ex colonies to the relevant European country. Add the date each country gained independence.

**RESOURCES** Try the CIA World Factbook for info as well as resources from The Commonwealth Institute
