

## YEAR 7 HOMEWORK TASK THE BLACKDEATH

### Source 1

Look carefully at the picture “**The Dance of Death**”, Source 1, drawn in the Middle Ages at the time of the Plague. Answer the following questions:

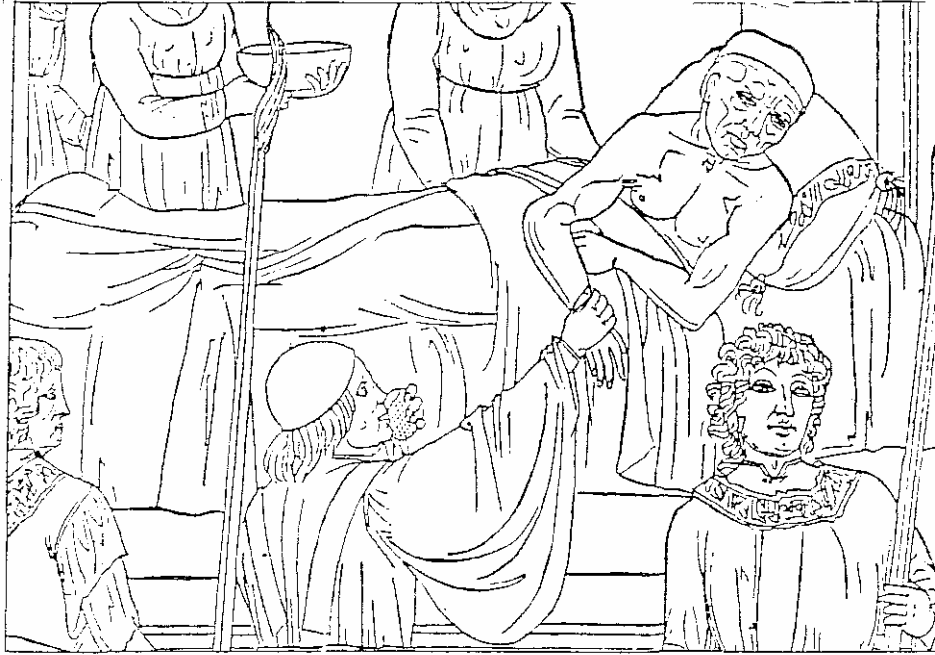

What kind of people are shown in this picture?

Who do the skeletons represent?

Can we learn anything from this picture about the types of people who caught the plague?

Now look at Source 2 “**Treating Plague Victims**”

Source 2

Based on the evidence in this picture, what advice would you give to people on how to deal with plague victims?

Is there any scientific evidence in either source that you would consider useful for people in avoiding catching the plague? Explain your answer.
