

SUBJECT: RE

TERM: 3

YEAR GROUP

7 8 ✓ 9 10 11

CONTEXT

A themed comparison task drawing on prior learning in Year 8

OBJECTIVE

To identify knowledge required (or in need of clarification) for the conversion project

To complete research and bring in any materials required

ASSESSMENT

Teacher/self/peer

TASK

In class you started to identify new information you would need for the conversion project. Now you need to research these and find enough detail to apply to the task. You may want to bring in any books you have borrowed, interviews you have performed or other types of information. You should also bring in any materials you may wish to use if you intend to create an actual model.
