

Year 9 – ART Programme of Study

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<p>Yr 9 Project 3 Title: Half human/half machine</p> <p>Learning and Materials:</p> <p>Students will build on their knowledge of portraiture – developing further skills on painting and drawing faces in ¾ view. This work will extend into an imaginative response. Inspired by Steampunk and robotic characters in film and literature. Pupils will have observational drawing tasks to help them develop their own half human, half machine artwork. The concluding piece will be in mixed media.</p> <p>Artists: Fantasy Art, Illustrators. David Turner</p> <p style="text-align: right;"><u>Milestone Assessment:</u> Making : 2D mixed media outcome*</p>		<p>Yr 9 Project 2 Title: Campaign Art</p> <p>Learning and Materials:</p> <p>This is a Graphic Design unit where pupils will produce a campaign poster based on a subject of their choice. Students will study campaign art in a historical context and learn how past styles can be influential today. When creating their poster, students will be introduced to graphic concepts such as layout, font styles, use of colour and a ‘call to action’ slogan.</p> <p>Artists: A.Leete, Constructivism, Frank Shepard Fairey, Banksy</p> <p style="text-align: right;"><u>Milestone Assessment:</u> Knowledge: Research page on an artist</p>		<p>Yr 9 Project 1 Title: The Art of Science</p> <p>Learning and Materials:</p> <p>Students will be introduced to a variety of artists whose work has been inspired by science. Using a variety of medium, students will develop experimental ways of replicating microscopic cell images. Students will create their own semi abstract artwork based on their own experiments and resources.</p> <p>Artists: Pamela Sunday, Klari Reis, David Godsell.</p> <p style="text-align: right;"><u>Milestone Assessment:</u> Ideas : Experimental compositions*</p>	

Each milestone assessment is made up of four components from across the project. The assessment areas are **Making, Ideas, Knowledge and Evaluation. (MIKE)**. A summative grade will be issued on the conclusion of the project.
