8 March 2024

Sawston
Village College

Principal: Mr J P Russell

Dear Parents/Carers

Weekly Round-Up

Our Y11 Hunstanton Geography Field Trip went well yesterday and the cool sea wind will have built character. Y11 parents were given some helpful revision advice at our Information Evening; thanks to all who supported the event. World Book Day saw a classroom converted to Narnia, some colourful staff costumes and a packed out library quiz hosted by Mary Poppins, aka our fabulous librarian Miss Allen. It has also been National Careers Week with various activities and information shared in mentor time. Finally, not only is today International Women's Day with much to celebrate but it was also Technognition Day and an opportunity to say a huge thank you to our technicians in DT, Food, IT and Science for all that they do to support learning and make practicals possible.

NEW Non-uniform Day on March 15th for Comic Relief

The Ethos Forum has chosen to raise money next week for Comic Relief by promoting a non-uniform day on Friday 15th March; parents are invited to make a £1 donation on Wisepay for this excellent cause.

NEW Y9 Options Process – reminder of deadline

Please be reminded that the deadline for submitting the on-line form is Monday 11th March by 4pm. A late submission may risk a pupil not securing their preferred choices. Many thanks to all parents who were able to support their child either in person or on-line during the fortnight of guidance interviews.

COMMUNITY Stapleford Primary School seek Community Governor

Stapleford Community Primary School's Local Governing Board is looking to appoint three new members of the local community in supporting and promoting their good (OFSTED rated), happy and vibrant school to provide the best possible education for all children in its care. Governors do not need to be educational experts to tackle the responsibilities required, and the school prides itself on the breadth of experience of their members. If you are interested in joining their committed team of Governors, please contact the Co-Chairs of Governors: Edward Gunn (egunn@anglianlearning.org); and Martin Brown (mbrown@anglianlearning.org). You can find out more information about the Local Governing Body of Stapleford Community Primary School, a member of the Anglian Learning, on the school website at <https://staplefordprimary.org/about-us/governors>.

...

Wishing you a pleasant weekend.
