Dear Parent/Carer

### Year 7 Activities Week: 15-19 June 2026

This letter details the arrangements for Year 7 pupils who are not attending the Bushcraft residential visit during the week beginning 15 June.

In place of timetabled lessons, Year 7 pupils will be participating in an outdoor learning and nature week. The week will consist of a range of activities with an emphasis on developing skills such as basic first aid, orienteering, outdoor survival, team building and problem solving. Pupils not attending the Bushcraft trip will also spend **Thursday 18 June** studying off-site at Milton Country Park. Pupils will also undertake a community project within Sawston Village on one day. All activities will take place during school hours.

Due to the nature of the activities and the coach travel costs, we are requesting a voluntary contribution of £10 per pupil to cover the costs of the activities throughout the week, to be paid via WisePay. Contributions are voluntary and no pupil will be treated differently according to whether or not their parents/carers have made any contribution in response to this or any other request, however, if there are insufficient funds the trip may not take place.

As the trip to Milton Country Park is local, and within the school day, we will assume parental consent unless you contact us to withdraw your child from this visit. Further details regarding the trip will be sent nearer the time.

If you have any questions, please contact [office@sawstonvc.org](mailto:office@sawstonvc.org).

Yours sincerely

Miss S Gelder
