Minimum entry requirements for 2027 entry

Bishop Laney Sixth	A Level: Minimum 5 GCSEs at grade 9-4 including English and Maths (course dependent). Minimum of grade 5 or 6 in chosen or related subjects. Level 3: Applied & Technical: Minimum 5 GCSEs at grade 9-4 including English and Maths. Level 2 Technical: A range of GCSES at Grade 3 or above.
Cambridge Academy for Science & Technology	A Level: At least 7 GCSEs at grade 9-4, including Maths (5; 6 if studying sciences; 7 if studying Maths; 8 if studying Further Maths) and English (4) with at least a grade 6 in the subjects chosen at A Level. Please also check some subject specific requirements. T Level: At least 5 GCSEs at grade 9-4, including Sciences (5), Maths (5) and English (4)
Cambridge Maths School	Be predicted seven GCSEs at grade 5 or above including GCSE Maths grade 8 or 9, GCSE Combined Science 8-8 or higher (or separate science grade 8 or higher in the subject you wish to study) and GCSE English grade 5 or higher. All students with these predicted grades will be invited to an aptitude test. Students passing the aptitude test will be invited to an interview.

Minimum entry requirements for 2027 entry

Comberton Sixth	For A-level study, 5 GCSEs at grade 5 and Maths and English grade 4. Also, at least a grade 6 in the A-Level subject (or similar subject) to be studied. Grade 7 for A-level Maths and grade 8 for Double/Further Maths. For BTEC study, 5 GCSEs at grade 4 (individual BTEC courses do vary). All information is available on our website and in the 2027 prospectus.
Chesterton Sixth	Students need at least 5 grade 6s including Maths and English (either Lang or Lit) as well as subject specific requirements as detailed on our website and in our prospectus.
Cambourne Sixth	For A-level study, students typically require 5 GCSEs at grade 5 and a grade 6 in the subject (or related subject) to be studied. Some subjects also carry a GCSE English and/or Maths requirement. For A-level Maths a grade 7 is required, and grade 8 for Double/Further Maths. For BTEC study, students require 5 GCSEs at grade 4, and if combining with an A level subject will need to meet individual course requirements. Where it has been impossible for a student to study the desired subject at GCSE, other evidence can be submitted and will be considered on a case-by-case basis (for example, submission of a portfolio or audition).

Minimum entry requirements for 2027 entry

Hills Road Sixth	There is no minimum number of GCSEs required or specific grades in English and Maths for admission. Instead, each A level has its own entry requirements, including a minimum GCSE grade and Admissions Score. For 30 of our 36 subjects, CAP applicants need a predicted grade 6 in the relevant GCSE and an Admissions Score of 56. Higher Admissions Scores are required for Maths, Biology, Computer Science, Chemistry, Physics and the Four A Level Programme. Some subjects, including Dance, Drama, Art, Music and languages, also offer alternative entry routes for students who have not taken the relevant GCSE. Please see the subject pages on our website for the full information
Long Road Sixth	To study A Levels, we require at least five GCSEs at grade 5 in a range of subjects, usually including Maths and English. To study Level 3 Applied and V Level courses, we require at least five GCSEs at grade 4, usually including Maths and/or English. To study our Level 2/GCSE programme, we require three GCSEs at grade 4, with at least grade 3 in both Maths and English. Additional requirements for each course are specified on our website.
Northstowe Sixth	Students wishing to enrol on A Level courses are generally expected to achieve a minimum of five GCSEs at grades 9–5, including English and Mathematics. Please note that individual A Level subjects may have additional entry requirements, with some courses requiring higher GCSE grades in specific subjects. Entry requirements for BTEC and other vocational courses vary depending on the course of study. Full details of course-specific criteria can be found on our website and within the school prospectus.

Minimum entry requirements for 2027 entry

Oakes Sixth Form

Students require 6 GCSE grades 9-4, including Maths and English grade 4, for A level subjects. A minimum grade 6 is advised where a subject is continued from GCSE. There are subject specific requirements for particular A level courses. For Applied subjects, a requirement of 5 GCSEs grades 9-4 is our standard offer, including a pass or near pass in English and Maths. Students are allowed to mix A level subjects with Applied subjects and an individual offer based on their chosen course will be made. We will consider students who have alternative qualifications or who have not been able to sit a full set of GCSEs on a case by case basis.

Refer to individual websites and prospectuses for more detailed information.

Minimum IB profiles for 2027 entry

Impington International College

International Baccalaureate Diploma Programme: at least seven GCSEs with Grade 6 or above, including English Language and Maths. For subjects you wish to take at higher level you will need at least a grade 7.

V levels

- V Levels are a new type of Level 3 qualification, available from 2027. They will initially be available in 3 subject areas with more over the following 3 years, replacing the existing Level 3 extended certificates.
- V Levels are the same size of qualification as an A Level. There can be more than one V Level in your study programme, and you can combine them with A Levels or applied courses to make up your full programme.
- Each V Level will involve a mix of practical and written assessment, which will be different depending on the subject. This mix will be reflected in the way they are taught, including involving employers.
- V Levels will suit students who want to progress to higher education, training such as an apprenticeship or into employment when they complete their study programme.

Post-16 Applications: Predicted Grades

Post-16 centres will use pupils' **predicted grades** to assess their eligibility for the courses for which they have applied.

These grades are based on the full range of evidence teachers have about pupils' progress in their subject, including the mock exam results. They will be the same as the **estimated grades** in the second Year 11 progress report, which will be released to parents on Thursday 3rd December.

It is not possible to alter predicted grades in light of later assessments after post-16 applications have been submitted.
