04 November 2026

Sawston Village College
Principal: Mr J P Russell

Dear Parent/Carer

Live Music Concert on Thursday 19 November to raise awareness around young Men's Mental Health.

It is International Men's Mental Health Day https://ukmensday.org.uk/ in the UK - Your support is needed!

Our very own Year 10 pupil, George J, is looking to raise awareness and money to support local mental health charities with a particular focus on men's mental health and encouraging our young adults to talk rather than suffer in silence.

George's band **SILHOUETTE HOUSE** are going to play covers and original songs from 6.30 pm on Thursday 19 November in the Henry Morris Hall.

Our evening will be opened by the legendary, now retired, History Teacher, Mr Reed, who will share his experiences of being in the Marines. George himself will share his experiences, and Mr Russell will close the music filled evening at around 7.30 pm.

Tickets to the event are available from https://sawstonvc.org/events/. Please support this event and George by attending this fundraiser or donating a prize to the raffle. Refreshments will be available on the night- please bring cash to make a purchase. All proceeds will be donated to local mental health charities.

I hope to see you there.

H Meikle
